- **Payment of Program Fees:** The payment of fees must be always current. Program fees are due in full at the time of the first meeting date. Should a problem develop, contact the front desk, and make appropriate arrangements.
- **Scholarship Program:** The Beardstown Park District has program fee funds available for those who may have suffered from economic setback. **The Tim Beard Scholarship Fund** enables all children to participate in park district programs. More information may be obtained at the park office located at the Schewe Community Center.
- **Insurance:** The Beardstown Park District does not provide insurance covering accidents or injuries occurring in its programs, activities, parks, and facilities. Such insurance would make program fees prohibitive. Make provisions to provide this coverage with your own family insurance.
